Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Friday 01 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry start, rain spreading northeast, dry in west later Saturday.

This Evening and Tonight:
A mix of clear spells and occasionally heavy and perhaps thundery showers, the showers most frequent in the north and west. Risk of gales or severe gales in northwest.

Saturday:
Bright start for most, with showers in northwest, but cloud and outbreaks of occasionally heavy rain spread north through the day. Drier across central parts later with showers in northwest.

Outlook for Sunday to Tuesday:
Potentially wet and windy Shetland, and perhaps far north and northeast, early Sunday, otherwise sunny or clear spells and occasionally heavy blustery showers through into Monday. Lighter showers Tuesday.
